

DERO
A PLAYCORE Company

Patent Pending

Air Kit™ Prime

The Air Kit Prime features upgraded high-wear parts made from anodized aluminum and stainless steel and our durable Dero Metal Head™ that accommodates both Presta and Schrader valves. Galvanized protective plates keep the pump finish attractive and prevent scratches when the pump head is not in use. All internal components are available separately and are easy to service.

The Air Kit Prime is available as a stand-alone pump, or can mount to our Fixit bike repair stands.

Air Kit™ Prime

Durable rubber hand grips

Gasket rating -30° to 110° F

25" Reinforced air hose

Aluminum pump head accepts schrader and presta valves

 Tamper-resistant fasteners included!

The Air Kit Prime includes Dero's aluminum Metal Head™ pump head.

Air Kits require occasional maintenance and replacing of parts to remain serviceable. An extra gasket kit for the pump head is included with each unit shipped.

Mount directly to a Fixit for a complete bike repair station

Accessorize with a Pump Stop to hold bikes in place
