Wall Rack

Bike owners like this option as well for garage and home storage. The rubber coating keeps bikes from getting scratched. Two bikes can be hung up and locked securely, as the Wall Rack is fully U-Lock compatible. The Wall Rack keeps bikes off the ground and out of the way, and provides a secure, space-efficient way to store them.

Shares nicely.

The Wall Rack is an ideal solution for indoor car parking stalls

 Tamper-resistant fasteners available upon request
