Under this warranty, Dero's liability is limited to repair or replacement, at Dero's option, of products found in Dero's reasonable judgment to have been defective in workmanship or materials.

For the Ultra Space Saver Squared product there is interior and exterior grade powder coat. For interior grade, the product must be installed in an interior location not exposed to the elements. For parking garages, they must be 20' from exposure.

This warranty does not cover failure due to negligence, abuse, vandalism, accidents, lack of maintenance, or improper installation; nor does it cover defects or failure due to products tampered with, altered, modified, or repaired by anyone not approved by Dero. In addition, Dero will not warranty powder coated and 304 grade stainless steel shelter products within 1/2 mile of saltwater bodies. In this situation we recommend galvanized or powder coat over galvanized.
