Today’s Service Station

The Fixit includes all the tools necessary to perform basic bike repairs and maintenance, from changing a flat to adjusting brakes and derailleurs. The tools and air pump are securely attached to the stand with stainless steel cables and tamper-proof fasteners. Hanging the bike from the hanger arms allows the pedals and wheels to spin freely while making adjustments.

*Patents D680,914 S1 and US 9,498,880 B2*
Hanger arms accommodate most types of bikes

Hanger arms can be mounted at 12, 3, 6, or 9 o’clock

Hanger is ADA compliant

Includes most commonly used tools for simple bike maintenance

Screwdrivers and Allen Wrenches are on swivel connectors for easier use

Pump head accommodates Presta and Schrader valve stem types

Tools are secured with braided stainless steel aircraft cables

Pump hose is reinforced for maximum protection

Pump holster can be mounted on either side or back of Fixit

Hanger and pump (shipped as 2nd package) pack inside main body for easy, inexpensive shipping
